

**Builders For Christ is a group of volunteers whose mission is to serve our Lord, Jesus Christ, by providing free labor for churches needing help in the construction of new buildings.**

**This Builders For Christ volunteer group began in the 1980's when Barron Scott was invited to be a part of a group going to Iowa to build a church. It became the Noonday Builders For Christ, Marietta, GA.**

**As time passed, the teams of West Metro, Builders For Christ of Atlanta, GA, Russell Builders and the Maryland Builders For Christ began. Barron moved to Texas in 1998 and the Texas Builders For Christ began. I, Willie Evans, joined BFC in 1999.**

**In 2008, Barron and Jan Scott retired from Builders For Christ. After prayers and seeking God's will, Dena and I became the coordinators of the Texas Group. In 2018, our group had become large and God led us to become two Texas teams. Dena and I currently are with the North Texas BFC and Mike and Cindy Sanders are coordinating the South Texas BFC.**
